Description: A young snail faces many challenges as it tries to grow safely into an adult. All the facts a young child needs to understand the life of this intriguing backyard creature are packed into Backyard Books: Are You a Snail? by Judy Allen with illustrations by Tudor Humphries....

Review: I used this book for a science unit in my first grade classroom. My students spent several days observing real snails and doing research by reading and watching videos on the topic of snails. This book was perfect for our project. Students were able to record the similarities and differences between snails and humans. The authors creative play with...
